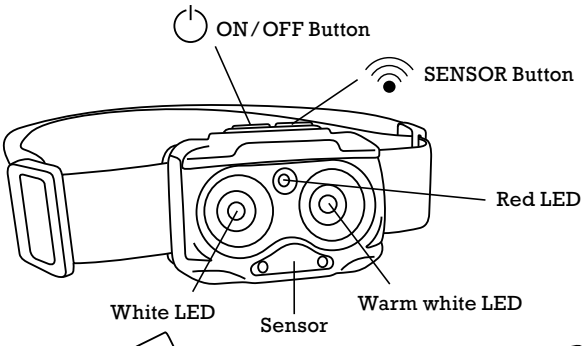
HEAD+BEAM 400

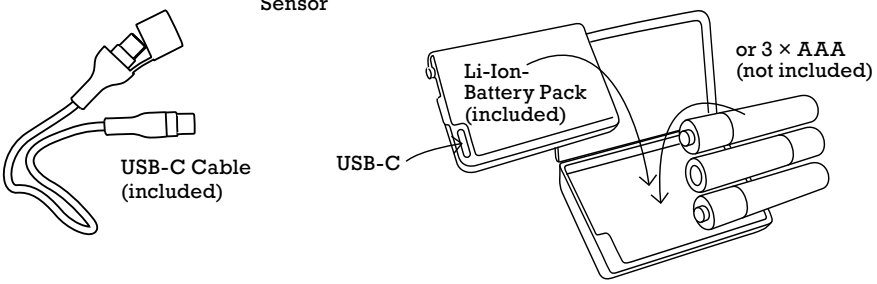
HEADLAMP HYBRID

+ WARM WHITE LED.

Let there be light!

One quick click and the light is on, bright 400 lumens illuminate the path ahead of you or your tent. This is the HEAD+BEAM[400] headlamp. You can choose between four modes full light from 6 to 17 hours, depending on your choice. Enough to get you for several nights or a week on the road. There is also a sensor for quick light changes and a memory function to automatically return to your favourite light. Even charging is a piece of cake. And we know, the light was good!





+ THE PLUS DISTINGUISHES.

Essential Elements is the reliable brand from Switzerland with the plus for the well thought out details. Our products are: useful + practical and “as green as possible”.

Made with recycled materials
