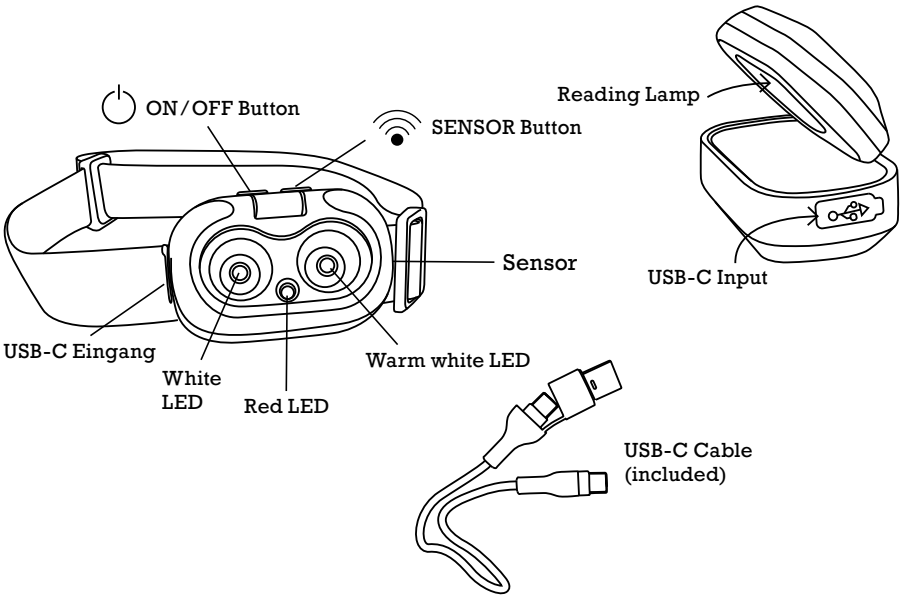
HEAD+BEAM 450

HEADLAMP / READING LIGHT

+ REVERSIBLE 2-IN-1.

Twice as good!

The HEAD+BEAM[450] is two headlamps in one. The classic headlamp with 450 lumens of light intensity, over 100 metres of beam and up to 17 hours of light – depending on the mode setting. It also has a pop-up reading light. This gives you a pleasant, warm light that is perfect for illuminating area in front of you – reading, cooking, playing cards or planning on the map. A sensor for quick light changes and a memory function that recalls the last setting round off this headlamp.



+ THE PLUS DISTINGUISHES.

Essential Elements is the reliable brand from Switzerland with the plus for the well thought out details. Our products are: useful + practical and "as green as possible".

Made with recycled materials
